BURNSVILLE PAWN AMERICA
NEARLY TRIPLES ITS SHOWROOM!!

*Expansion makes the Burnsville location Pawn America's
second largest!*

BURNSVILLE, MN (May 8, 2006)—Pawn America has announced the expansion of its current Burnsville store from 5,400 square feet to 15,000 square feet. Under the agreement, Pawn America will move into the acquired retail building adjacent to the current store located in the McAndrews Center in Burnsville. Construction on the new showroom is set to begin in January 2007 with completion slated for April 2007.

“With almost 10,000 extra square feet of space, we’ll be able to provide an impressive amount and selection of merchandise to our customers,” says Brad Rixmann, Owner and Founder of Pawn America. “In addition to one of the area’s largest jewelry selections, customers will experience a broader representation of large items like bikes, riding lawnmowers, snowblowers, large-screen televisions and more,” says Rixmann.

The Burnsville Pawn America location has traditionally been a top-performing store for the company behind only the Pawn America Superstore in Fridley. At least two additional employees will be hired for the Burnsville location which will remain in operation during the expansion process in early 2007.

Pawn America has 14 locations in Minnesota including Anoka, Duluth, Rochester, West St. Paul, Midway, Bloomington, Coon Rapids, Mankato, St. Cloud, Robbinsdale, Burnsville, Hopkins, Roseville and Fridley.
